## Part II: Partner of the Year Product Manufacturer Application

---

**Eligibility:** **Partner of the Year – Product Manufacturer**  
Manufacturers of ENERGY STAR qualified products.

**Description:** These awards recognize those product manufacturers who have furthered the goals of ENERGY STAR through their active participation. ENERGY STAR anticipates that selecting the Product Manufacturer Partner awards will be a challenging task.

ENERGY STAR recognizes that each organization excels in specific areas. Partners may describe specific activities beyond the scope of the criteria listed below.

**Criteria:** Criteria for evaluating this award are listed below. Please note that the prerequisite for any manufacturing award is that partners have complied with requirements outlined in the applicable ENERGY STAR Partner Commitments and Product Specification documents, including those related to labeling, logo use and the submission of product and sales information.

### Section 1 – Product Qualification Efforts

---

Please provide:

- Number of ENERGY STAR qualified models/units
- Percentage of product line that is ENERGY STAR qualified
- Percentage of total sales that were ENERGY STAR qualified
- Information concerning new ENERGY STAR products developed/qualified in 2006

### Section 2 – Accomplishments Narrative

---

ENERGY STAR is committed to help people change for the better. Our goal is to reduce greenhouse gas emissions through superior energy efficiency. How are you helping to achieve that goal? Please write a narrative describing your company's activities and accomplishments specific to supporting ENERGY STAR's objective. Your narrative should:

- Be no more than five pages, but may be accompanied by samples of specific promotions, advertisements, or other activities your organization led in 2006.
- Describe your company's activities as specifically as possible
- Be consistent with the outline below, to the extent the activities are relevant to your organization.

#### **Product Development and Labeling Efforts**

- Innovation in product design for energy efficiency
- Participation/Leadership in discussion of new/revised ENERGY STAR specifications
- Participation in the development of data tools, such as Find-A-Product and Online Product Data Submittal

**Consumer Education**

- Community outreach activities and messaging
- Print, radio, television, direct mail advertising, brochures with ENERGY STAR messages, logo (please submit details of quality, quantity, frequency, reach)
- Public relations efforts, special events, press releases (please submit details of quality, quantity, frequency, reach)
- Inclusion of environmental messaging in any of the above activities

**Training Efforts**

- Cooperation with retailers or utility/state/regional partners to increase ENERGY STAR information in customer (retail/distributor) product knowledge training (please provide a description of efforts -- e.g. collateral, e-mail/web-based, video, face-to-face presentations, manuals, specification sheets, newsletters etc. Include physical or photographic examples, where available and scope, number of employees reached, and any other measures of impact.)
- Integration of ENERGY STAR into sales-force and employee training (please provide a description of efforts – e.g. training manuals/newsletters, emails, new employee packets, presentations, etc.)
- Collaboration with EPA/DOE in the development of training activities.

**Participation in Co-marketing Activities with Retailers and/or Utility/State Efficiency Program Sponsors**

- Leadership and/or participation in promotions in conjunction with campaigns coordinated by EPA and DOE (Change a Light, Change the World, Cool Your World, Spring into a World of Savings)
- Leadership and/or participation in other co-operative promotions (e.g. advertising, in-store, web-based)
- In addition to a description of the promotion and the roles of participants, please include specifics on the duration, reach and impact.
